Graco Children's Products Inc. ComfortSport™ Car Seat

A number of Frazier™ ComfortSport™ Convertible car seats, manufactured from November 1, 2006 through October 8, 2007, were produced with an optional “body pillow” that partially obscures the required airbag warning label. Partial obscuring of the airbag warning label may prevent the important message from being read, and thus lead to improper installation of the car seat. Failure to properly install the car seat can result in serious injury or death.

**Model No.
